Important Notice Regarding your Recycling Collection!

Please Read!!

Due to a error in the lay-out of your current recycling calendar the 1st week of March appears as a WHITE week, this is incorrect and the 1st week of March will be a GREEN collection week and your recycling will continue to follow this every other week schedule through the end of April.

Please see the corrected calendar on this postcard. A new flyer beginning with May 2009 will be distributed in April.

We apologize for any confusion and you may contact Waste Management with any further questions or concerns at 1-800-847-5303
