

“White Goods”
Appliance and Metal
Recycling Guideline

Attention Plaistow Residents!

Recycle your old worn out appliances by calling a Waste Management Customer Service Representative at 1-800-847-5303.

Here's how the program works!

White Goods Are: Dish Washers, Stoves, Clothes Washers and Dryers, Hot Water Tanks, Refrigerators, Freezers, Dehumidifiers, Air Conditioners and other large metal appliances.

- The collection occurs once per month, generally the 1st Saturday of every month.
- Please refer to the collection calendar on our website www.wastemanagementnne.com
- Residents are required to “call ahead” and schedule the appointment to collect the item(s).
- Call 1-800-847-5303
- Free to Plaistow Residents. There are limitations to the quantity of Refrigerators, Freezers, Dehumidifiers, and Air Conditioners placed out for collection.
- **NEW!** Old TV's, Computer Monitors and Computers (for a FEE) are now collected in this program. Please refer to our website or call for more information.

These guidelines apply to services with Waste Management of New Hampshire, Inc.
